The appellant Md. Fakrul Islam as well as the SPIO of the Office of the Block Elementary Education Officer and the first Appellate authority were absent. However, it is seen from the case record ( Sl. 2/c) that the Head Master of the Haitorka M.E. School vide his letter dated 23.8.14 furnished some information to the appellant/petitioner. From the case record, it is not clear as to who is the Appellate Authority nor is there any order of the first Appellate Authority, which has been appealed against. The appellant is also absent to explain what additional information he wants. In the absence of both the parties as well as copy of the order appealed against, the Commission is not in a position to pass any clear order. Hence the petition is rejected.
