O R D E R
12.6.2015

The petitioner as well as the Public Authority – both are absent.

It is seen from the case records that the required information was furnished to the petitioner by the BDO, Majuli Dev. Block, Kamalabari vide his letter dtd 15.11.10. The main ground of the complaint of the petitioner is that the information was furnished to him after expiry of the stipulated period of 30 days and therefore, he has prayed for compensation u/s 18(1) of the RTI Act, 2005. He has however, not mentioned what cost he has incurred or what loss he has suffered for getting the required information. Nor is he present in today's hearing, although notice was served on him.

In view of the above, and in view of absence of both the parties, the Commission could not proceed any further on the complaint petition and therefore, the same is disposed of.
