Both the parties are absent without information.

Perused the records. The written submission made by the SPIO, Office of the Executive Engineer, Water Resources Division, Hailakandi. The submission is confusing, in that it mixed up two different applications under RTI Act, 2005 namely HLK.52/2013 and HLK.53/2013, both of them happened to be brought up by the same applicant, namely, Shri Amad Uddin Barbhuiya and in both the cases the Public Authority happens to be the same.

In his submission the SPIO has submitted that the applicant has received the information sought for by him on 22.7.15. The position regarding provision of information in respect of the Case No. HLK. 53/2013 could not be determined in the context of the confusion created by the written submission of the SPIO.

Besides, no acknowledgement of information by applicant is on record in the Commission.

Now, therefore, the Commission decides to set another date of hearing of the case.

The case may be heard on 17th October, 2015.
