09.10.2015

Neither the SPIO nor the Appellant are present. The SPIO has however submitted through his letter No. HA/SS/9/1012-13 dtd 8.10.15 that the information sought for had been furnished through a letter dtd 18.7.2013.

Perused the case records available in the Commission in the absence of the parties. The perusal reveals that in his second Appeal Application under the RTI Act, 2005 dtd 30.7.15, the Appellant, Shri Dilip Kumar Jain has stated that after much delay, the APIO had provided him with a letter containing some information which he received on 26.7.2013. He also submitted that the information so received by him appeared to be in his words “**distorted and false**” citing one specific case. On this ground the Appellant prayed that the Public Authority be directed to provide factual information.

After a careful consideration of the facts of the case, the Commission hereby directs the SPIO to address the issues of anomaly raised by the appellant through his Second Appeal petition dtd 30.7.13, a copy of which is being appended to this order, within a period of 21 days of receipt of this order free of cost.

With this the instant Second Appeal Petition is disposed of. The appellant will however, be at liberty to approach the Commission, if he is not satisfied with the action taken by the Public Authority on this order of Commission.
