Chief Information Commissioner, Assam**

O R D E R

Seen the second appeal petition dated 1-3-2014 submitted by Sri Rupulal Bhujel. It is seen that the background and subject matter of the second appeal petition is the same as that in case No. DRN. 54/2013 which has already been disposed of by this Commission by a speaking order dated 5-11-2015. Moreover, the RTI petition dated 28-11-2013 which is the basis of the instant appeal petition wants to know as to what action the Court will take and what are the reasons for the stoppage of the process of issuing notices. Such questions do not fall within the definition of the information under the RTI Act, 2005.

In view of the above, the second appeal petition is dismissed.
