Case No. : SIC/GLT.49/2016
Appellant : Shri Diganta Das
Respondent : The SPIO, O/o the Deputy Director, Town and Country Planning,
Golaghat
Date of hearing : 24.08.2016
Second Appeal heard by : Shri Pinuel Basumatary,
State Information Commissioner, Assam

O R D E R
24.08.2016

The Appellant absent without information.

The SPIO present.

Perused the case record. It is seen that the Appellant had filed his Second Appeal on not being satisfied with the information he had been provided in response to his Application dated 11.02.2016 addressed to the Deputy Commissioner, Golaghat.

Heard the SPIO. He submitted that the RTI Application had been transferred by the D.C., Golaghat to him through a letter dated 17.02.2016, and that he had provided copies of the documents related to the information through a letter dated 19.03.2016. He further submitted that he was unaware that the Appellant was not satisfied with the information provided to him. He added that the allegation brought up by the Appellant in his Second Appeal to the effect that he had threatened him was unfounded. He further added that the Appellant had never met him in person and that he had not contacted his office in connection with the information he had sought for.

Perusal of the aforementioned letter dated 19.03.2016 indicates that the documents had been provided without referring specifically to the items of the information the Appellant had sought for. There is therefore scope for providing the information with specific reference to the RTI Application.

In view of the facts brought out above, the Commission hereby orders that the SPIO shall provide a revised reply to the Appellant with direct reference to the items of the information sought for. The information shall be provided, free of cost, within 10 days of receipt of this order.

With this, the Second Appeal Petition is disposed of.
